

FROB CORPORATE PRESENTATION

2023

FROB has played a key role in the management of the financial crisis in Spain, coordinating bank restructuring

2014 European framework was implemented in Spain by Law 11/2015, establishing a new paradigm in the management of banking crises

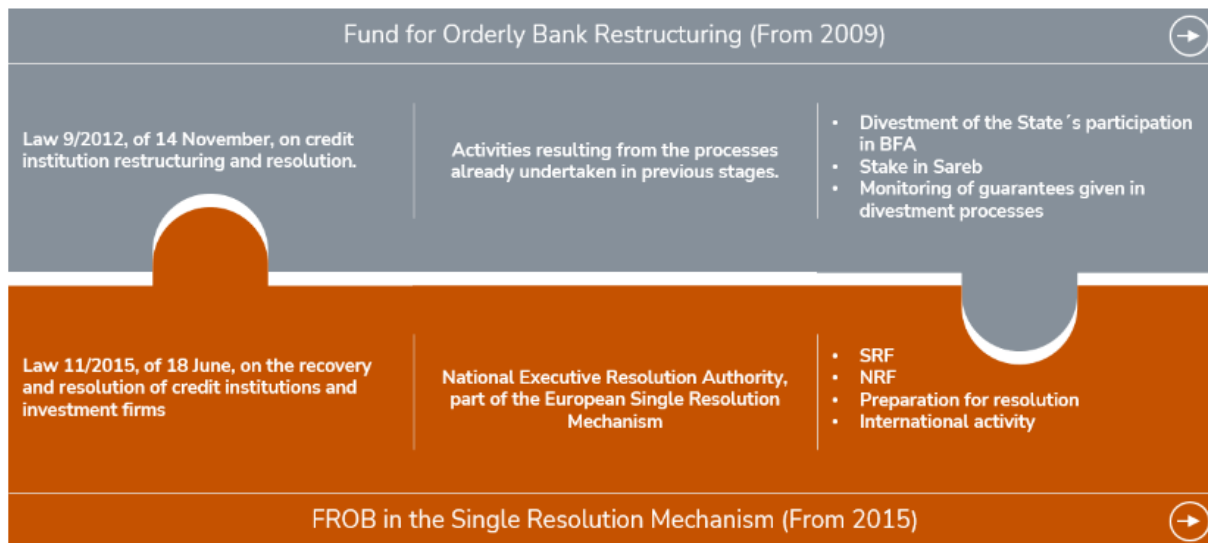

1.Regulation (EU) No 806/2014 of the European Parliament and of the Council of 15 July 2014

2.Directive 2014/59/EU of the European Parliament and of the Council of 15 May 2014

3.Intergovernmental Agreement on the Single Resolution Fund

Within the resolution framework defined by Law 11/2015 and by Regulation EU 806/2014, FROB is the Spanish executive resolution authority (also maintaining powers derived from the management of the past crisis)

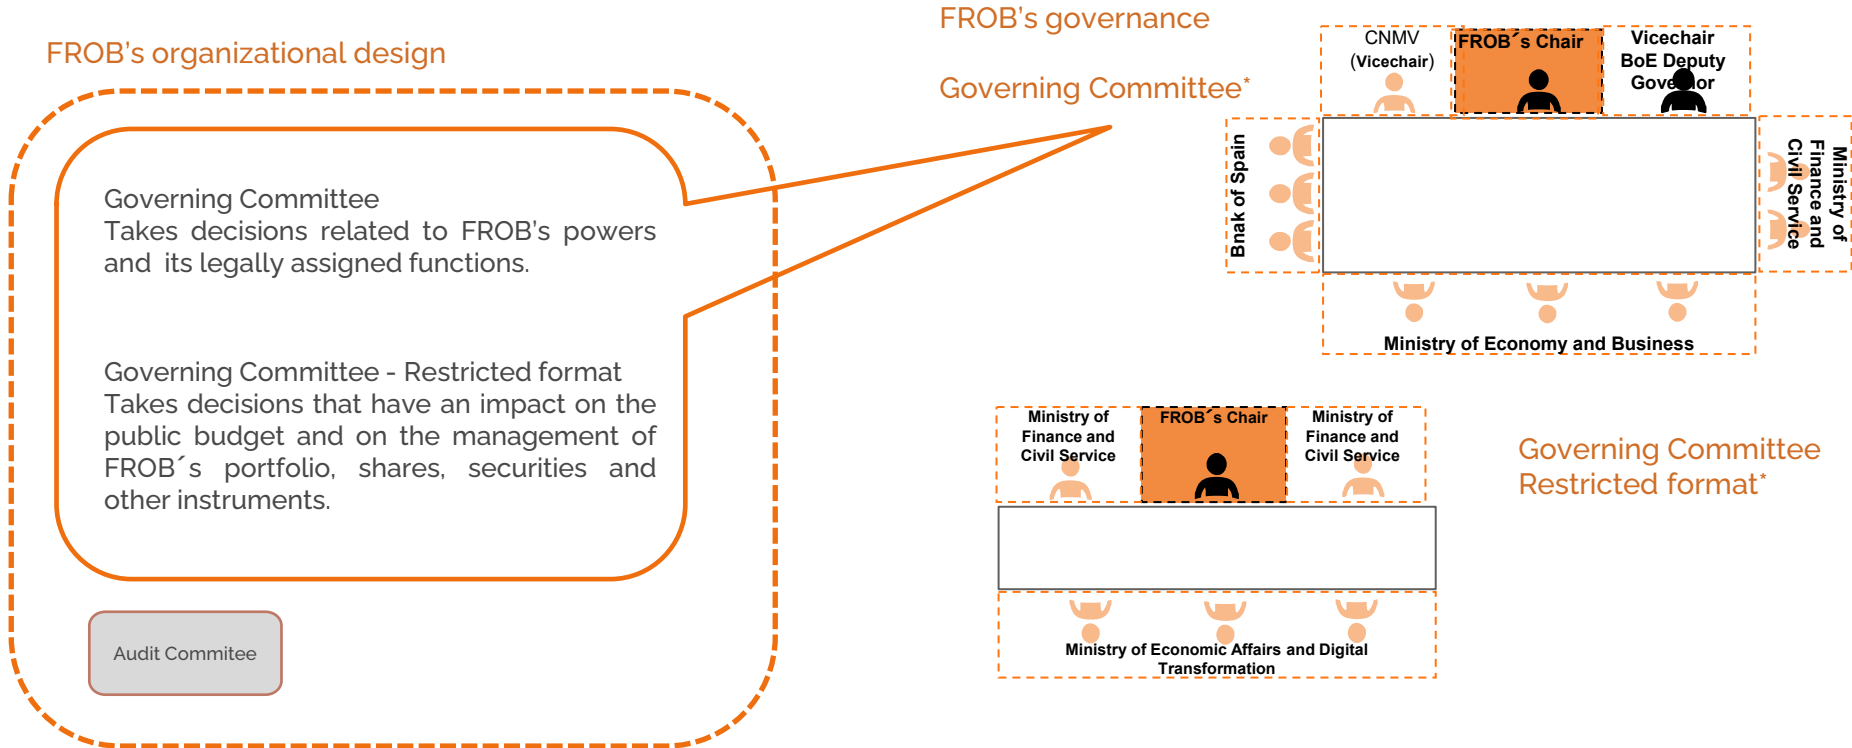

FROB
Autoridad de Resolución Ejecutiva

1. The legal name of FROB has been changed. Until the entry into force of Law 11/2015, "FROB" was the acronym of Fondo de Reestructuración Ordenada Bancaria [Fund for Orderly Bank Restructuring]. Since 2015, "FROB" has become the name given to the current Spanish Executive Resolution Authority, but now without any reference to the previous concept.

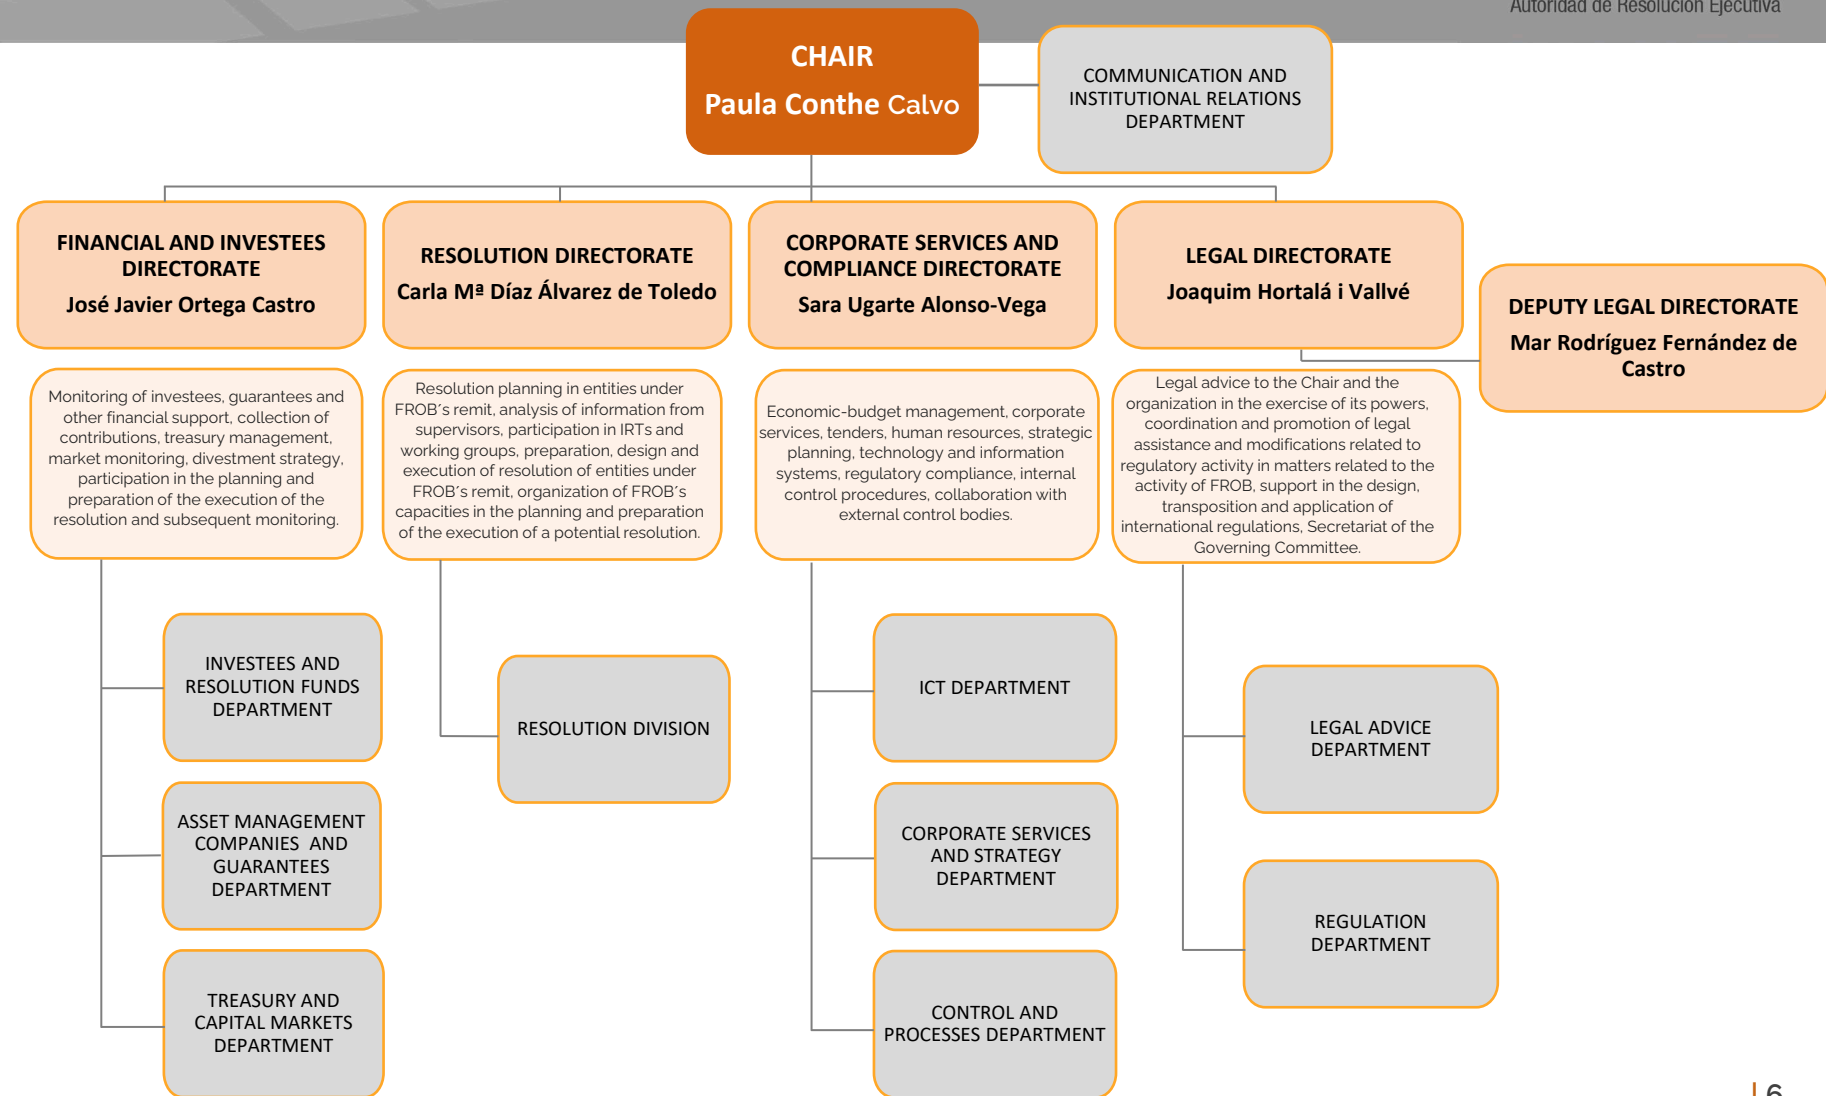

Funciones de soporte (legal, financiera, comunicación, reporting, estrategia...)

FROB operates under the supervision of its Governing Committee and its organizational chart is aligned with the functions it performs

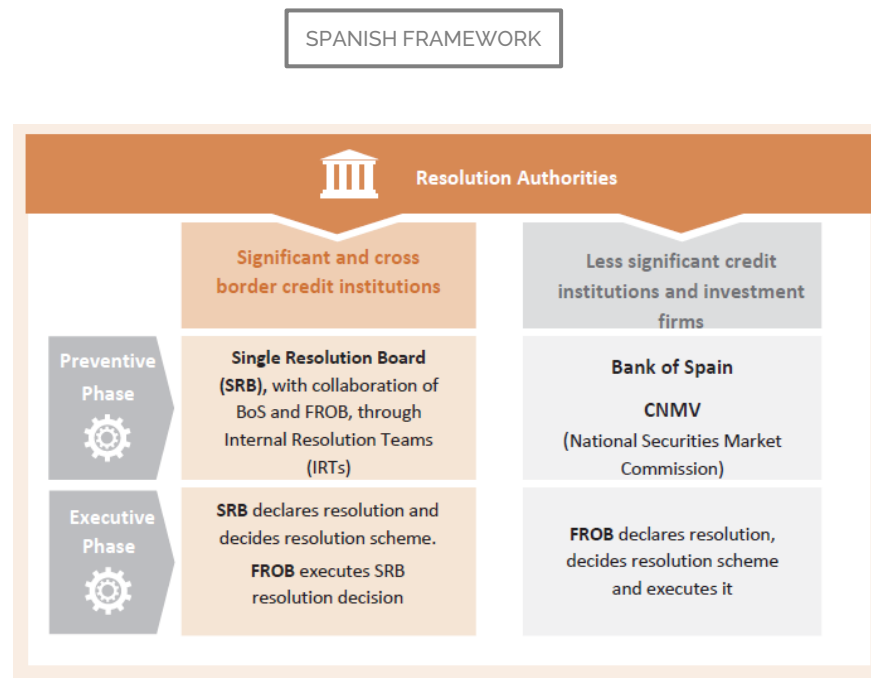

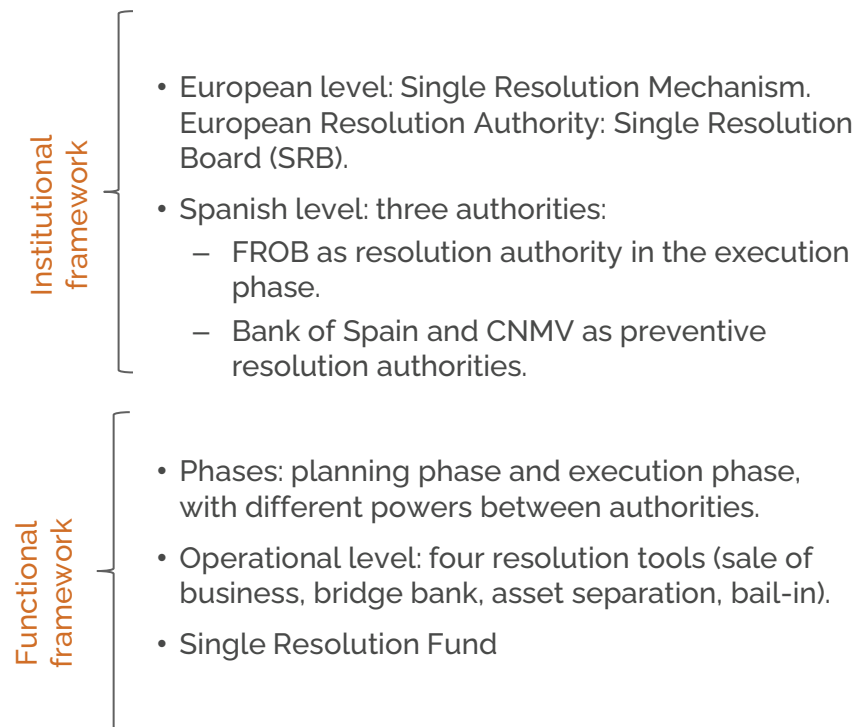

* Nonvoting members: a representative designated by the Attorney General and another one by the Comptroller General of the State.

Organizational chart

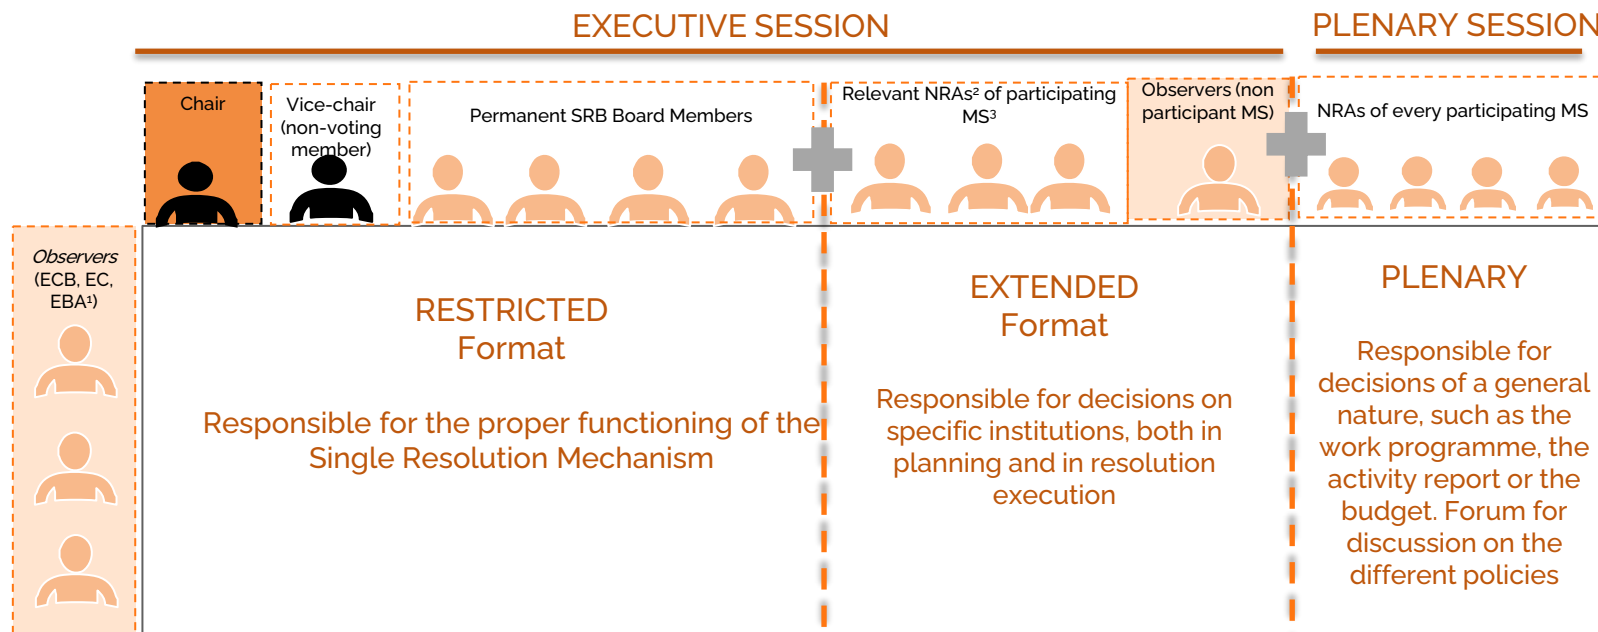

Resolution powers are distributed among the different authorities depending on the type of entity

1. As defined in Law 11/2015, of 18 June, for the recovery and resolution of credit institutions and investment firms and Royal Decree 1012/2015, of 6 November which develops Law 11/2015; and Regulation (EU) No 806/2014 of the European Parliament and of the Council of 15 July 2014.

SRB Board convenes in different compositions depending on the task. FROB is the Spanish representative, and the Bank of Spain participates as an observer.

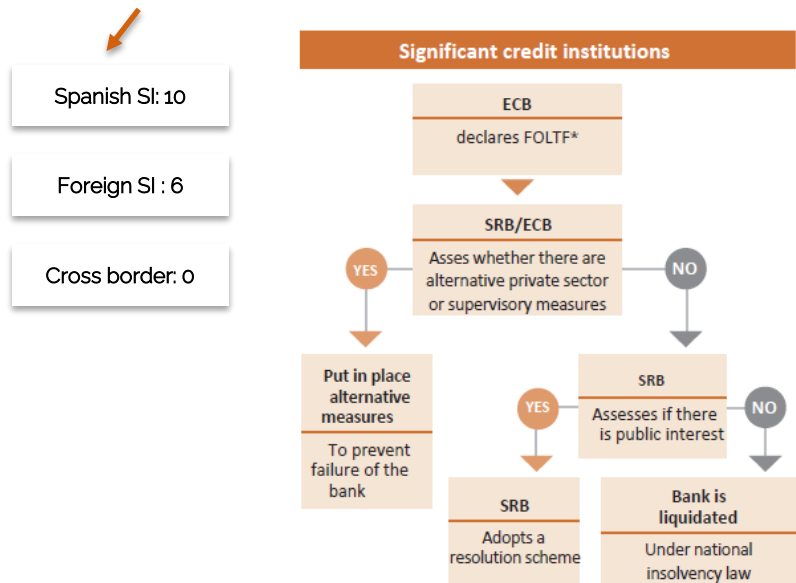

¹ Where relevant having regard to the EBA tasks

² National Resolution Authorities

³ Member States

CREDIT INSTITUTIONS UNDER SRB REMIT

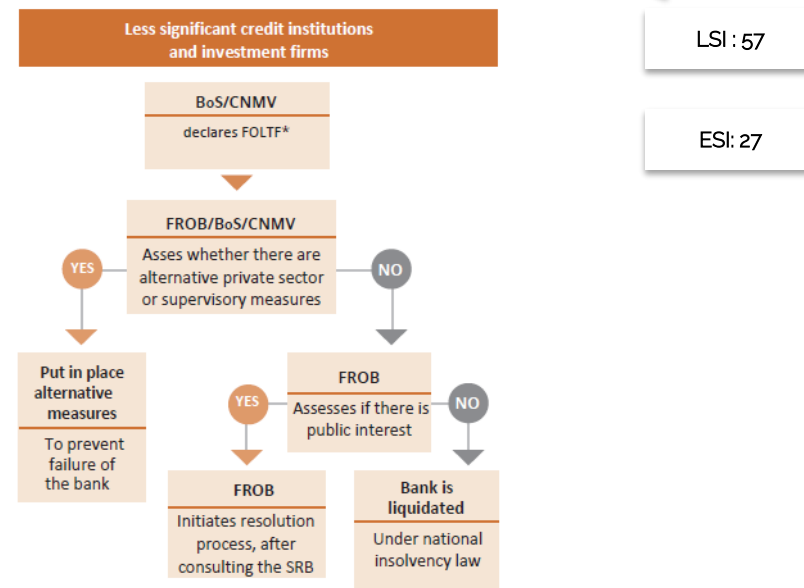

- Significant Credit Institutions (SI's)¹ supervised by the ECB
- Other cross-border groups with a less significant credit institution (LSI) parent and a subsidiary in another MS.
- LSI in resolution beneficiaries of the resources of the SRF

* It may also be requested by the resolution authority (RA) in the event that the competent supervisor does not assess it within three days after the RA request.

INSTITUTIONS UNDER THE REMIT OF THE NATIONAL RESOLUTION AUTHORITIES (NRA) – Bank of Spain/CNMV (preventive) and FROB (executive)

- Less significant credit institutions (LSI)
- Investment firms (ESI)

*FROB may request the competent supervisor to assess the non viability

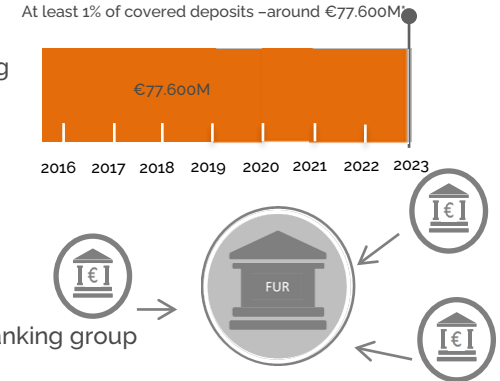

¹ Significance criteria: i) size: the total value of its assets exceeds €30 billion; ii) economic importance for the specific country or the EU economy as a whole; iii) cross-border activities the total value of its assets exceeds €5 billion and the ratio of its cross-border assets/liabilities in more than one other participating Member State to its total assets/liabilities is above 20%; iv) direct public financial assistance: it has requested or received funding from the European Stability Mechanism or the European Financial Stability Facility. A supervised bank can also be considered significant if it is one of the three most significant banks established in a particular country (Source: ECB)

Scope	Body	Mision	FROB's role
Worldwide 		It establishes the main principles and develops guidelines and reports with the aim of promoting global financial stability. In the scope of resolution: <ul style="list-style-type: none"> • Focused on improving the planning and resolvability of Global Systemically Important Banks (G-SIBs) • Monitors the implementation of TLAC • Sets principles for the resolution of CCPs and insurers. 	<ul style="list-style-type: none"> • Member of the Resolution Steering Group (ReSG) • Member of permanente subcommittees: BankCBCM and fmi-CBCM • Participation in groups and subgroups of the subcommittees
European Union	 europa.eu	Develops level 1 standards (Regulations or Directives), level 2 standards (delegated acts or implementing acts). Current discussions focus on the reform of the crisis management framework: <ul style="list-style-type: none"> • Crisis management of medium-sized entities, without access to the capital markets. • Completing EDIS and making financing sources more flexible in resolution. 	<ul style="list-style-type: none"> • Advises and accompanies in the main steps of the negotiation of level 1 regulations and in the development of national regulations related to resolution
		Develops technical standards, guides, recommendations, decisions and opinions. <ul style="list-style-type: none"> • Its focus is to develop level 2 standards (RTS and ITS) of the new banking package 	<ul style="list-style-type: none"> • Member of the Resolution Committee (ResCo) • Permanent subcommittees member: Resolution Planning (SGRPP) and Resolution Execution Committee (SGRE) • Participation in groups and subgroups of the subcommittees
Banking Union		Guarantee the orderly resolution of significant entities and groups under their remit with the least possible impact on financial stability and public finances: <ul style="list-style-type: none"> • Resolution planning: development of plans, removal of obstacles to resolution and setting of MREL. • Policy: Define rules and procedures for resolution. • Declare resolution and approve resolution scheme. 	<ul style="list-style-type: none"> • Member of the SRB Plenary • Member of the Extended Executive (if applicable) • Permanent subcommittee member: Resolution Committee (CORES), Administration and Budget Committee (ABC), SRF Committee, Legal Network • Participation in groups and subgroups that are created under the subcommittees, including those in charge of LSIs, MREL, crisis management, liquidity, financial stability, operational continuity and FMIs, resolution tools

One of the pillars of the new resolution framework is the creation of resolution funds. The resolution funds may be used to ensure the efficient application of resolution tools and the exercise of the resolution powers conferred to the resolution authorities.

Single Resolution Fund (SRF)

- The SRF is under the responsibility of the SRB.
- The SRF is composed of contributions from credit institutions and investment firms (belonging to banking groups established within the Banking Union).
- The objective is to collect a minimum amount equivalent to 1% of the credit institutions' covered deposits by the end of the Fund's initial eight-year period (2016- 2023).
- In 2023, the SRF reaches an amount of €77,600M.
- 91 Spanish institutions contribute to the SRF with an accumulated contribution of €7,500M*.

National Resolution Fund (NRF)

- The NRF is under the responsibility of FROB, as National Resolution Authority.
- The NRF is composed of contributions from 28 Spanish investment firms not belonging to a banking group + 6 branches of entities established outside the EU
- Total contributed to date exceeds €16.3M*.

CYCLE

FROB's deadline to receive financial information from entities for the calculation

Deadline for sending entities information to the SRB (SRF)

The SRB opens the consultation period for entities on the process of calculating contributions

Deadline to receive Data Assurance Reports from entities

Communication by the SRB to the NRAs of the amounts of the contribution to the SRF

Communication by NRAs of contributions to entities (SRF & NRF)

FROB is:

- ✓ First point of entry in case of doubts or requests
- ✓ Responsible for contributions to the NRF
- ✓ Collects data and contributions from the SRF

The SRB (for the SRF):

- ✓ Applies harmonized rules
- ✓ Indicates how to collect the data and perform the calculations

Shareholdings
